

### § 101-5.205-3

Schedule may be developed jointly by GSA and the designated agency.

(b) The designated agency shall accept responsibility for implementing the determination of the Administrator of General Services to establish a centralized reproduction facility, issued in accordance with 101-5.104-7 and 101-5.203-7, including the provisions for transfer of excess equipment and other procedures and conditions specified in that determination. Necessary deviations from the determination may be developed jointly by GSA and the designated agency.

#### **§ 101-5.205-3 Actions prior to operation of facilities.**

The following actions are to be taken by an agency designated by GSA to operate a centralized field reproduction facility prior to operations of such a facility:

(a) The designated agency shall assist the appropriate GSA regional office in the determination of firm space needs, including any special requirements. Space needs will be furnished by the GSA regional Administrative Services Division, Printing and Distribution Branch, before forwarding it to the Public Buildings Service, GSA, for preparation of final working drawings in the Federal building where the plant is to be located.

(b) Arrangements shall be made by the designated agency, in cooperation with GSA, for the pooling of equipment and the necessary absorption of those employees of affected agencies engaged in duplicating work, as prescribed in § 101-5.203-6.

(c) After coordination with the designated operating agency to obtain its current price schedule, procedures for obtaining service, and billing procedures, GSA will announce the availability of the centralized field reproduction facility in the manner prescribed in 101-5.204-2.

### **Subpart 101-5.3—Federal Employee Health Services**

AUTHORITY: Chapter 865, 60 Stat. 903; 5 U.S.C. 7901.

SOURCE: 30 FR 12883, Oct. 9, 1965, unless otherwise noted.

#### **§ 101-5.300 Scope of subpart.**

This subpart 101-5.3 states the objective, guiding principles, criteria, and general procedures in connection with the establishment and operation of Federal employee health services in buildings managed by GSA.

#### **§ 101-5.301 Applicability.**

This subpart 101-5.3 is applicable to all Federal agencies which occupy space in or are prospective occupying agencies of a building or group of adjoining buildings managed by GSA.

#### **§ 101-5.302 Objective.**

It is the objective of GSA to provide or arrange for appropriate health service programs in all Government-owned and leased buildings, or groups of adjoining buildings, which it manages where the building population warrants, where other Federal medical facilities are not available, and, where the number of the occupying agencies indicating a willingness to participate in such a program on a reimbursable basis makes it financially feasible.

#### **§ 101-5.303 Guiding principles.**

The following principles will control the scope of the health services to be provided in keeping with the objective:

(a) Employees who work in groups of 300 or more, counting employees of all departments or agencies who are scheduled to be on duty at one time in the same building or group of buildings in the same locality will constitute the minimum number of employees required to warrant the establishment of a health service of a scope specified in § 101-5.304.
